

Dr. V. R. Godhaniya College

of Arts, Commerce, Home Sc & IT for Girls

**Department
of Commerce
(E.M.)**

Welcomes You

Mission Statement of the Institute

**TO
ENNOBLE THE HEART
AND
UPLIFT THE MIND OF EVERY
INDIVIDUAL**

**TO
NEW VISTAS OF
LEARNING AND TEACHING**

AIM OF THE DEPARTMENT

**The ultimate goal of our department is
To impart vocationally**

and

practically advantageous knowledge

and

skills to our students

**so as to make them self-reliant and equip them
to serve our nation in turn.**

Objectives

- Expose our students to the best minds in various disciplines.
- To provide quality teaching and learning resources.
- To introduce career oriented programmes.
- To provide a friendly and safe environment for nurturing the creative learning process of the students.
- To raise the educational standards of women in and around Porbandar and thereby contribute to the national development.
- To bring awareness about protecting our immediate objectives in our everyday habits and practices.
- To utilize audio-visual aids for making teaching methodologies more effective and learner-centred.
- To collaborate with local bodies and organizations and offer employment to the needy individuals.
- To impart vocationally and practically advantageous knowledge and skills to our students so as to make them self-reliant and confident.

REMEDIAL /COP/ADD-IN-COURSES

- English Translation Proficiency Course: This course is specially designed for the students of English Medium to maximize their level of proficiency in English as well as in regional Language so as to enable them to fluently communicate and translate.
- Vedic Mathematics: Computing or calculating is prerequisite for Commerce and Computer related subjects. Our students can take advantage of the fastest methods of *Vadic Ganit* to empower themselves with the knowledge of easy but effective traditional mathematical tricks.
- Computer Courses: The students of non-computer faculty also have right to be learn computer. For the purpose our institute has introduced two courses in computer. 1) Basic Computer and 2) Advance Computer& Web page Designing The students may gradually enroll in the courses one after the other
